

♥ Welcome to Kindergarten

Dear Parents,

I look forward to teaching your child during the 2017-2018 school year! Kindergarten is an important foundational year. It will be exciting to watch your child grow both educationally and spiritually.

It is my second year at YACS and I feel it is a privilege to be a part of this school as we work together to provide the best education for every student. I have 16 years of teaching experience. I have earned a Bachelor of Arts degree in Elementary Education from Bethel University in St. Paul, MN and a Master of Arts degree in Instruction from St. Catherine University in St. Paul, MN.

My husband and I have two children. Our son recently graduated from Emmanuel College and our daughter will be a senior at Georgia Baptist School of Nursing.

Kindergarteners will be busy this year as they learn how to read many new words. It is exciting to teach a student the love of reading! They will also be learning many other important skills such as how to write, count, add, subtract, measure, observe, explore, compare, discuss, and problem solve as they learn to cooperate with other students.

I look forward to seeing you at **Open House on the first day of school**, Friday, July 28th from 9:50-10:20 AM (Parents will leave at 10:20 but students, you get to stay until 2:45!) New families and students have a **New Family Meeting** at 4:00 PM on Thursday, July 27th. Over the summer you can go to the YACS website (www.yacs.us) to view this letter and the supply list.

Have a wonderful and exciting summer and I look forward to hearing about your adventures when you come to school. I am praying for each of my students and their families. I am working hard to prepare some exciting lessons for the upcoming school year.

In Christ,

Mrs. Janelle Wisneski
