Again, thank you for allowing Young Americans Christian School to be an integral part of your child’s educational experience.

Sincerely,

Dr. David Taylor
Administrator

HISTORY OF YOUNG AMERICANS CHRISTIAN SCHOOL

Young Americans Christian School was founded in 1988 by families who desired a sound quality Christian education for their children. The school began with twenty-four preschool students who met in a local church facility. With overwhelming support from the school community, additional grade levels were added. In keeping with the founders' desire to provide exceptional education within a Christian framework, the school became a member of the Association of Christian Schools International (ACSI) in 1991.

In 1998 the school and Old Salem Christian Church partnered together to build a new facility that provided church facilities for Old Salem Christian Church and elementary and middle school facilities for Young Americans Christian School. Though the school and church are independent both entities utilized the facility. The school soon outgrew the facility and by God's blessing the school received a substantial donation to purchase nineteen acres and in 2001 the school completed a facility that would include an educational building, a gymnasium, and athletic fields. In 2010 the school purchased seven additional acres and completed a 500 seat fine arts center and football/soccer complex in 2012.

Presently the school accommodates students K4 through 12th grade. Through God's blessing, the school has grown from twenty-four students to over 500 students making Young Americans Christian School the largest private school in Rockdale and Newton counties. Young Americans Christian School still remains a non-denominational, non-profit, independent Christian school providing educational excellence within a Christian worldview.

ACCREDITATION

Young Americans Christian School is dual accredited by the Association of Christian Schools International (ACSI) and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (AdvancED), and offers both a college preparatory and college preparatory with distinction diploma.

NON-DISCRIMINATORY POLICY

Young Americans Christian School admits students of any race, color, national and ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, scholarship and loan programs, athletic or other school administered programs.

SCHOOL STATEMENT OF FAITH

Although parents, students, and family members may have differing Biblical perspectives we adhere to the following statement of faith:

- We believe in the Divine verbal inspiration, infallibility, integrity, finality, and sole-sufficiency of the Bible as the Word of God. (II Timothy 3:16)
- We believe in the Holy Trinity of the Father, Son, and Holy Spirit - three persons co-equal in substance, power, and eternity in the unity of the Godhead. (Matthew 28:19, John 15:26)
- We believe that the Godhead executes the great work of redemption:
 1. The love and grace of the Father. (Romans 5:15)
 2. The Redemption by and through the Son:
 - a. His Incarnation, Virgin Birth, Sinless Nature and Life, and His infallibility as Teacher. (Matthew 1:18, Hebrews 4:15)
 - b. His substitutionary and atoning death by the shedding of His blood on the cross.
 - c. His bodily resurrection - actual and real; His ascension into Heaven; His High Priestly work there. (Matthew 28:6, Mark 16:19, Luke 24:51, Hebrews 4:15)
 3. Regeneration or the New Birth by the Holy Spirit and His indwelling of every believer through baptism. (Acts 2:37-38, John 3:3)
- We believe that Salvation and Justification of sinners is a gift of grace through faith in the finished work of Christ. (Romans 3:24)
- We believe in the Sanctification of believers: First, having been sanctified by the offering of the body of Christ once for all; second, being sanctified by the Holy Spirit and the Word; third, to be sanctified and glorified at the coming of Christ. (Romans 15:16, I Corinthians 1:2, I Peter 1:2)
- We believe that those who come to God through faith in Christ, repentance of sin, confession of Christ as the Son of God, and baptism are given eternal life and shall not perish, as is the promise of His Word. (John 3:16, John 14:6, Acts 2:37-38)
- We believe in New Testament Baptism of believers by immersion, which is the sign God's people receive in the New Testament pointing to the atoning work of Jesus Christ showing forth the death, burial, and resurrection of the Lord Jesus Christ and our identification with Him. (Romans 6:1-7)
- We believe in the Sacrament of the Lord's Supper: the fruit of the vine signifying His shed blood, the broken bread signifying His broken body, showing forth His death until He comes, this being the duty and privilege of every believer. (Matthew 26:27-29)
- We believe that the first day of the week, Sunday, is the Lord's Day commemorating the resurrection of the Lord Jesus Christ. (Acts 2:42, Matthew 28:1)
- We believe in the Resurrection of the Body, both of the just and the unjust: the just at the coming of our Lord, and the unjust at the final judgment and eternal punishment of the same. (I Corinthians 15)

SCHOOL MISSION STATEMENT

Young Americans Christian School is a college preparatory school working hand in hand with the family to cultivate students who will be academically successful and will grow to be a light in the world for Christ.

CORE VALUES

To create an environment, based on Biblical principles, where students can freely become everything God has designed them to be.

Matthew 28:19-20 “Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”

To pursue academic excellence in all areas.

Colossians 3:23 “Whatever you do, work at it with all your heart, as working for the Lord, not for human masters.”

To instill principles of servitude to others for the sake of Christ.

Matthew 7:12 “So in everything, do to others what you would have them do to you, for this sums up the Law and the Prophets.”

Young Americans Christian School seeks to teach students to serve God with a whole heart.

Young Americans Christian School prepares students to be a light to an unsaved world.

Young Americans Christian School challenges students to be academically successful in order to be fully prepared for college.

Young Americans Christian School provides the opportunity for the family and school to come together in shaping each student spiritually, morally, and academically.

Young Americans Christian School strives to create in each student the desire to see the world from a Biblical perspective.

PHILOSOPHY OF EDUCATION

At Young Americans Christian School, we believe the mind and the spirit must continually interact to affirm the glory of God. Educators must instill the knowledge that there is one God over all and in all (Ephesians 4:6). It is through God that our mind and spirit come together. Mankind can only be free to reach its greatest potential when we understand that God is the means for our existence, and that our life has a higher purpose. Our happiness in life and our eternal security is the end result.

The aim of Young Americans Christian School is to assist the parent (Deuteronomy 6:6-7) in providing our students with educational and spiritual opportunities that develop the whole person (Luke 2:52) and lead them to be what God has truly intended. We want our students to grow spiritually, academically, and socially, through serving mankind (Ephesians 2:10) while reflecting the character of God and impacting society with His truth. Students are encouraged to deepen their understanding of God's Word, and how it relates to every aspect of their life (II Timothy 2:15).

Young Americans Christian School provides an environment where students are encouraged to do what is right. It is a place where students realize what a valuable creation they are to God. It is a place where students grow spiritually, academically, and socially while being encouraged to always strive to do their best for the glory of God (Colossians 3:23).

The educational philosophy of Young Americans Christian School is based on the infallible word of God, which is the final authority in everything we do. (II Timothy 3:16-17).

Do not let this book of the law depart from your mouth;
Meditate on it day and night,
So that you may be careful to do everything written in it.
Then you will be prosperous and successful.
(Joshua 1:9)

CHAPEL

Young Americans Christian School strongly emphasizes students' spiritual growth. The weekly chapel service is an integral part of this spiritual growth process. Chapel is taught in an enthusiastic manner and is designed to be a joyful, upbeat experience. Parents are always invited and encouraged to attend weekly chapel services.

LIFESTYLE AGREEMENT

The biblical and philosophical goal of Young Americans Christian School is to develop students into mature, Christ-like individuals, who will be able to exhibit a Christ-like life. Of necessity, this involves the school's understanding and belief of what qualities or characteristics exemplify a Christ-like life. Even though parents may personally believe differently, students enrolled at Young Americans Christian School are expected to exhibit the qualities of a Christ-like life espoused and taught by the school and to refrain from certain improper, immoral, or illegal activities or behavior, in or away from school. Thus, Young Americans Christian School retains the right to refuse enrollment to or to expel any student who engages in sexual immorality, including any student who professes to be homosexual/bisexual or is a practicing homosexual/bisexual, as well as any student who condones, supports, or otherwise promotes such practices on or off the school campus (Leviticus 20:13, Romans 1:27).

Furthermore, Young Americans Christian School stands firmly upon the historical truth claims and moral foundations of Christianity. This includes, but is not limited to, the biblical definition of marriage, the attendant boundaries of sexuality and moral conduct, and the clear biblical teaching that gender is both sacred and established by God's design. Parents or the legal guardians, who choose to enroll their children at Young Americans Christian School, are agreeing to support these and other basic biblical values derived from historical Christianity and the relevant Christian positions embraced by Young Americans Christian School. Parents understand and agree that Young Americans Christian School will teach these principles and biblical values.

BIBLICAL MORALITY LIFESTYLE STATEMENT

Young Americans Christian School is a religious, non-profit Christian school, representing Jesus Christ by partnering with parents to prepare their children spiritually, academically, physically, and socially to become His disciples. The biblical and philosophical goal of YACS is to work with families who desire their children to develop into mature, Christ-like individuals who will be able to exhibit a Christ-like life. This involves the school's understanding and belief in what qualities exemplify moral and sexual purity based on its interpretation of Scripture.

On occasions in which the atmosphere or conduct within a particular home or the activities of the student are counter to or in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or discontinue enrollment of a current student. This includes, but is not necessarily limited to, living in, practicing, condoning, or supporting sexual immorality, including but not limited to, sex outside of marriage, homosexual acts, bi-sexual acts, gender identity different than the birth sex, promoting such practices, or otherwise the inability to support the moral principles of the school (Leviticus, 20:13a, Romans 1:27, Matthew 19:4-6).

In addition, the School Board urges parents to recognize their scriptural responsibility (Deuteronomy 6:1-9, Psalm 78:5, 6, Proverbs 22:6) to provide their children with a Christian education and to understand that the primary responsibility for this task rests with the parents (Ephesians 6:4). YACS was founded and continues to operate upon biblical values and the desire and commitment for Bible-believing Christian parents to enroll their children in an intentionally Christian environment.

YACS will accept students who are willing to support the school's philosophy of Christian education, student conduct requirements, and the school's stated positions and whose parents are willing to allow their children to be educated and influenced in an intentionally Christian environment. Continued enrollment at YACS is contingent upon this same understanding and support by both the student and parents. The school's statement of faith does not exhaust the extent of the school's beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of YACS's statement of faith, doctrine, practice, policy, and discipline, the School Board is YACS's final interpretive authority on the Bible's meaning and application.

CONFLICT RESOLUTION

Young Americans Christian School adheres to the Matthew 18 principle regarding conflict resolution. In the event a person has a concern involving another party or a school policy, all efforts must be made to resolve the issue with the individual privately. If the issue is not properly resolved, then the person with the concern should go to those in the correct line of authority. No one should make his/her disagreement with either another party or school policy a matter of general or disruptive discussion including through social media, nor should he/she seek to polarize others around his/her position.

Under no circumstance should a parent directly contact another student regarding a conflict or disagreement involving or concerning school personnel or any school related activity. The parent must direct their concern to the appropriate school faculty, staff, or administration member. Failure to adhere to this mandate may result in the student's dismissal from the school.

A student whose parent(s) or legal guardian demonstrates a continuous or disruptive attitude or adverse demeanor with the school, school administration, school faculty, or staff, and/or a history of disagreement or disparity with the school's Philosophy of Education, Biblical Morality Statement, Lifestyle Agreement, or Mission Statement may be dismissed from the school at the Administration's discretion. This includes, but not limited to verbal, written, or social media communications.

FINAL AUTHORITY FOR MATTERS OF BELIEF AND CONDUCT

The School Board of Young Americans Christian School is the school's final interpretive authority on the Bible's meaning and application. The school's Statement of Faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Young Americans Christian School's faith, doctrine, practice, policy, and discipline, the School Board is Young Americans Christian School's final interpretive authority on the Bible's meaning and application.

TRANSFERS

If a middle or high school student is transferring to Young Americans Christian School during the school year, the student must meet all admission policy requirements.

WITHDRAWAL

Young Americans Christian School does allow a student to be withdrawn from school provided the parent/legal guardian gives notice. A withdrawal form must be completed and signed by the parent/legal guardian. All books and supplies must be returned to the school. No academic records will be released if there is an outstanding balance. There is an adjustment fee in the amount of one month's tuition for withdrawal, which is agreed upon at the time of student enrollment (per Tuition Agreement), that must be paid before any academic records can be transferred. Should a student withdraw or be dismissed, there will be no refund of tuition for any month the student has attended one or more days. There will be no refund of the Registration Fee or Matriculation Fee.

The school reserves the right to prohibit a student, who has voluntarily or involuntarily withdrawn from the school, from the school campus or at school functions for 12 months.

FINANCIAL POLICY

Young Americans Christian School is a nonprofit, independent, private Christian school, which does not receive any church, federal, state, or local government assistance. Prompt payment of tuition and activity fees is vital to the operation of Young Americans Christian School. A parent/guardian's account is a binding financial obligation. Enrollment at Young Americans Christian School is a privilege; therefore, delinquent accounts may constitute a student being asked to withdraw from Young Americans Christian School until the account is paid in full. The school reserves the right to suspend educational services, the administering of tests or exams, the issuing of grades or report cards, or release of any student's records for delinquent accounts.

Young Americans Christian School utilizes FACTS, a leading tuition management service, for tuition payments. FACTS allow multiple payment options including automatic prescheduled bank payment from a checking or savings account, or by credit card. Any account that becomes 45 days delinquent will result in that student being automatically withdrawn. The total balance of the account will be due at that time.

A student that is financially withdrawn may be allowed to return to school only if there is a space available and the account is paid in full.

Accounts must be paid in full before a student can graduate or be considered for re-enrollment for the next school year.

Young Americans Christian School does not accept cash payments for tuition. Payment for athletic participation fees will be invoiced at the time of student participation.

There is an adjustment fee in the amount of one month's tuition for withdrawal, which is agreed upon at the time of enrollment and must be paid before any records can be released or transferred. Should you have questions concerning your account or need to request special arrangements, you may contact the Business Office.

Students participating in athletic programs or extracurricular programs may forfeit their privilege to participate if their financial account becomes delinquent.

TUITION ASSISTANCE

The primary responsibility for financing the student's education is with the student's family. Funds for tuition assistance varies from year to year, therefore tuition assistance must be carefully distributed and must serve as a temporary source of funding. Tuition assistance is not meant as a primary source for funding a student's education.

Families requesting tuition assistance consideration must complete an online FACTS Grant and Aid Assessment. FACTS charges a non-refundable \$30.00 fee for each application.

Students who are granted tuition assistance are expected to maintain acceptable grades, exhibit appropriate behavior and conduct, and maintain regular school attendance. Students who fail to maintain acceptable grades, fail to exhibit appropriate behavior and conduct, or fail to maintain regular school attendance will lose tuition assistance.

Families receiving tuition assistance must make regular timely tuition payments. Families who fail to make tuition payments in a timely manner will lose tuition assistance.

Tuition assistance will not exceed 50% of the appropriate grade level tuition rate.

All families are strongly encouraged to participate in the Georgia Student Scholarship Organization (GASSO) which impacts tuition assistance funding.

FUNDRAISERS

Young Americans Christian School is a non-profit, independent school and receives no Church support or federal, state, or local funding. Young Americans Christian School participates in fundraising events each year. These fundraising events help offset expenses not covered by tuition. Young Americans Christian School strongly encourages each family to be supportive of the fundraising events.

EXCUSED ABSENCES

If your child is going to be absent, please make a phone call to the office by 9:00 AM. Absences that are considered excused absences are for personal illness, illness or death in the immediate family, emergency medical attention, quarantine, weather or road conditions that may make travel unsafe or dangerous, or other circumstances deemed accepted by the school. A written excuse from the parent or legal guardian must accompany the student upon his return and given to the front office personnel.

All schoolwork must be completed and turned in prior to the absence or on the day of return.

TARDIES

Teachers will be in their classrooms and expect students to be in the classroom on time. It is vital for students to be on time each day, as arriving late to class can be an interruption and a distraction. Parents must accompany their child to the School Office and sign their child in when tardy. Students tardy to school must receive a tardy slip from the School Office prior to entering the classroom. Tardies with a written excuse from a doctor will be excused. We ask that parents be firm with this requirement of arriving to school on time. (See Conduct Policy)

UNEXCUSED TARDIES

Since being tardy to class can be an interruption and a distraction to the learning process the first five unexcused tardies to school will result in the following: Elementary – will not be able to participate in Art, PE, or Music to make up missed work and Middle/High School – one day's detention. A student needing to leave school early must have written permission from his parent/legal guardian before leaving the school. For safety and security reasons, teachers will not be permitted to release a student from the classroom without authorization. Students checking out of school early can be disruptive and a distraction to the classroom environment. Therefore, it is strongly discouraged that students be checked out during seventh period. Students need certain ground rules and limitations that foster spiritual and academic growth. Good discipline is more than simply strict control. It is based on respect and high expectations for responsible behavior. Good discipline can best be developed through cooperation and communication between parents and the school. The student at Young Americans is an ambassador for Christ as well as for the home and school. Therefore, the school works hand in hand with the family to foster appropriate behavior by the student during school, as well as, away from school. All teachers are required to have a classroom management system. It is the policy of Young Americans Christian School not to use corporal punishment as a disciplinary measure. When a student commits acts of disobedience or misconduct, that student's right to an education may be temporarily or permanently forfeited. Young Americans Christian School attempts to provide a safe learning environment and will not tolerate students who, through teasing, intimidation, or bullying, create an unsafe environment for other students.

Therefore, Young Americans Christian School reserves the right to review, and if necessary, deal with any student behavior off campus throughout the calendar year.

In order for discipline to be fair and consistent, Young Americans Christian School uses conduct points to determine student consequences for acts of disobedience or misconduct. DROP OFF/PICK UP

To ensure maximum safety for all students, traffic patterns have been established by the School Administration. These must be properly followed to provide safety and lessen traffic congestion during Drop-Off and Pick-Up times.

1. Let your children out or pick them up in the drop-off/pick-up line under the covered drive-through area only. Do not do so outside of the covered drive-through as this causes students to cross in front of the moving traffic. Parents, remain in your car.
2. Do not park under the covered drive-through area.
3. If you need to enter the building during morning drop-off or afternoon dismissal, park in a designated parking spot past the covered drop-off area if possible, to avoid crossing the drop-off/pick-up traffic.
4. Do not try to have a meeting or discussion with the teachers supervising the car line as this can become very distracting for both parties, as well as, slow down the car line process.
5. Be patient and considerate of others.

DISMISSAL

For the safety and security of all students it is imperative that your child(ren) be picked up promptly. In the event of an emergency that requires a late pick up, you must contact the school office and your child(ren) will be sent to the After School program.

TRANSPORTATION

It is the responsibility of the parent/guardian to provide safe transportation to and from school. Young Americans Christian School does offer morning bus transportation for students from specific designated locations.

Young Americans Christian School provides bus transportation for students participating in field trips, athletic events, or other after school activities. Young Americans Christian School requires all students to travel by school bus to and from field trips, athletic events, or other after school activities, when seating permits, unless otherwise specified by the parent/guardian.

Students not participating in the school sponsored event will not be allowed to travel on the bus, unless accompanied by their parent(s) and seating is available.

LOST AND FOUND

Students are responsible for their own personal property and the school discourages students from bringing valuables to school.

Students should mark all personal items brought to school with their names. Articles found on the premises will be placed in "Lost and Found". Any items not properly claimed will be disposed of at the discretion of the Administration. The school will not be responsible for any lost articles.

VISITORS/PARENTS

Young Americans Christian School welcomes parents and prospective students to visit the school. All visitors, including parents, are required to check in at the School Office. All visitors must obtain a Visitor's Pass before proceeding into the building. If you need to leave something for a student or teacher, please take it to the School Office. Do not go directly to the classroom. Family members, alumni, and student's ministers are welcome, encouraged, and allowed to eat lunch with students. If coming to eat lunch with a student, he/she must sign in at the School Office and receive a Visitor's Pass. In order to maintain student safety, students may not have student visitors during school hours. The School Administration may refuse visitation to any visitor who is deemed inappropriate. In respect for teacher's time and planning, parents must make an appointment to meet with the teacher.

VOLUNTEERS

Young Americans Christian School encourages volunteers to assist with certain school activities. Volunteers are a valuable resource for the school and can greatly contribute to the success of many school-related functions. Anyone interested in volunteering his time or talents to the school should notify the School Office. Any volunteers who will be working directly with students will be required to have a criminal background check performed. In addition, volunteers must adhere to the school's dress code requirements.

FIELD TRIPS

Field trips are useful learning experiences that can enrich a student's life. Young Americans Christian School offers numerous educational and spiritual trips throughout the year and student participation is strongly encouraged. These trips include Huntsville, Ala. (Science focus), Georgia Aquarium (Science focus), Washington, DC (History/Cultural focus), Savannah, Georgia (History focus), Chattanooga, Tn. (History focus), Mexico Mission trip (Spiritual/Cultural), Panama City, Fla. (Spiritual/Leadership focus) and other educational trips.

Parents will be notified in advance of field trips, and trips will be organized in a manner that provides appropriate transportation and adequate supervision. There may be incidental fees to cover costs of tickets, lunch, or transportation. Parents are encouraged to attend most field trips and must abide by the same dress and conduct standards required of the students.

Field trips are considered regular school days. If a student does not attend the field trip, he/she must attend school in order to be counted present or the student will receive a zero for the day. In the event a student does not attend a field trip (including illness), the student will be assigned make-up work. For grades 5th through 12th, a student not attending the field trip will be assigned a report due on the subject matter of the field trip. The teacher will assign the topic of the report.

HEALTH AND FIRST AID

Communicable Diseases

It is mandatory that we protect the health and welfare of our school community from the spread of communicable diseases. In medically appropriate cases, any student whose medical condition poses a substantial threat to the health and safety of others may be removed from school until his/her attendance no longer poses such a threat.

Illness

A student who is ill or running a fever should not be sent to school. When a student becomes ill at school, the parents will be called and expected to pick up their child as quickly as possible. If a student has been sick he/she must be fever-free, not throwing up, and diarrhea-free without medication for at least twenty-four hours before returning to school. If a student is absent five consecutive days or more due to illness, a medical doctor's statement must accompany the student upon returning to school.

Medication

Staff employees of Young Americans Christian School may administer medication to students only with the written permission from the parent/legal guardian. The parent/legal guardian must sign an Authorization for Administration of Medication form. All prescription medication, as well as non-prescription medications, to be administered at school must be given to the office staff for dispensing. All medication must be in the original container and properly labeled with the student's name, name of medication, and directions for dispensing. No student should be in the possession of any medication during the school day.

LUNCHES

The school contracts with YACS Cafe, an Atlanta, Georgia based school lunch service, to provide quality, balanced, and nutritious lunches for students and staff at very reasonable prices. Students and staff have the option to participate in the meal program. Parents and Youth Ministers are welcome to come have lunch; however students from other schools are not permitted.

EMERGENCY DRILLS

During the school year there will be unannounced fire/emergency drills each month as mandated by state law. Instructions for evacuation of the building are posted in each classroom. When the alarm is activated, students should exit the building quickly and quietly and follow any instructions given by the staff. In addition, the school will periodically conduct Lock Down drills.

FIRE ALARMS

Young Americans Christian School's fire alarm system has an audible fire alarm message. In the event the audible fire alarm malfunctions the school will utilize the P.A. System to announce a fire drill/fire alarm.

Student Exit Plan

Teachers will have a diagram showing the exit route for their students. This diagram will be posted in each classroom. This exit plan must be explained to all students. A fire drill will be practiced once a month as mandated by state law.

WEATHER CLOSINGS

If weather conditions jeopardize student safety, the school will be closed. Young Americans will notify parents and staff via text, email, phone message and will post closing information on FOX 5.

COMMUNITY SERVICE

At Young Americans Christian School part of our mission is to equip our students with the desire to serve others. In order to teach our students how to serve, the school has implemented a program called BEAT. BEAT is the school's "heartBEAT" in this community. Through BEAT students will be challenged, taught, and encouraged to serve outside of their normal arena of life. BEAT is mandatory for all 9th through 12th grade students. By making it mandatory, the school hopes students will begin to have a heart for serving by being involved in this program during their high school years. The school is excited to watch and see how students will use their God-given talents and abilities within the school community.

Here is how BEAT works:

All 9th through 12th graders are required to accumulate 8 hours of service to others in the community during the school year. These hours must be served in the community; NOT in school, family, church, or foreign missions. All service hours must be completed without pay for any services rendered.

For example: YMCA, Boys and Girls Clubs, etc.

Assisted living homes

Pregnancy crisis centers

Hospital volunteer

Painting, yard work, housekeeping, etc. for the elderly or handicapped

Soup kitchens, food banks, shelters

Goodwill, Salvation Army, Red Cross, FISH, RYSA

Young Americans Christian School will accept documentation for community service hours accumulated over the summer. These may be counted for a student's first semester requirements.

Service hours may be completed and turned in anytime throughout the year, but must be documented with supervisor signatures on the BEAT form (available from the school office, or from website). All forms must be turned in by May 1st. Homeroom teachers are required to keep up with BEAT hour totals. The end of the year report card or transcript will not be released until BEAT hour totals are completed.

Student Honor Code Acknowledgement

It is the desire of Young Americans Christian School to first and foremost put Christ first. Honesty, integrity, and respect for others are integral components of the Christian walk for both adults and students. "Seek first his kingdom and his righteousness, and all these things will be given to you as well" (Matthew 6:33). "We are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do" (Ephesians 2:10).

We are called to love God, love others, and live a life of integrity. Because YACS desires to put God first the school takes these instructions seriously. We must respect God and others. God is our ultimate authority and we should live our life in such a way as to honor and please Him while respecting and loving others. Therefore, as a student I will strive to:

Respect the authority God has put over me including my parents and all school faculty and staff.
Honor Him by doing my best in all things.

Live a life of integrity by not lying, cheating, or stealing.

Whether I am a believer or not, I agree to follow the biblical guidelines for loving others by fully embracing the fact that everyone was created in the image of God and deserves my utmost respect. Therefore, as a student I will strive to:

Not spread gossip and lies.

Not demean others with my words or on any social media.

Not intentionally make others feel inferior.

I understand that discipline policies are put in place for the betterment of all students and are in my best interest. I pledge to follow all school policies to the best of my ability.

I fully understand that my actions and words are a true reflection of what is in my heart. I pledge to honor God by focusing on my relationship with Him and by treating everyone around me with love and respect. (Matthew 12:34)
